"Reminiscing"

Have You Seen . . .

Together TODAY for A Better TOMORROW

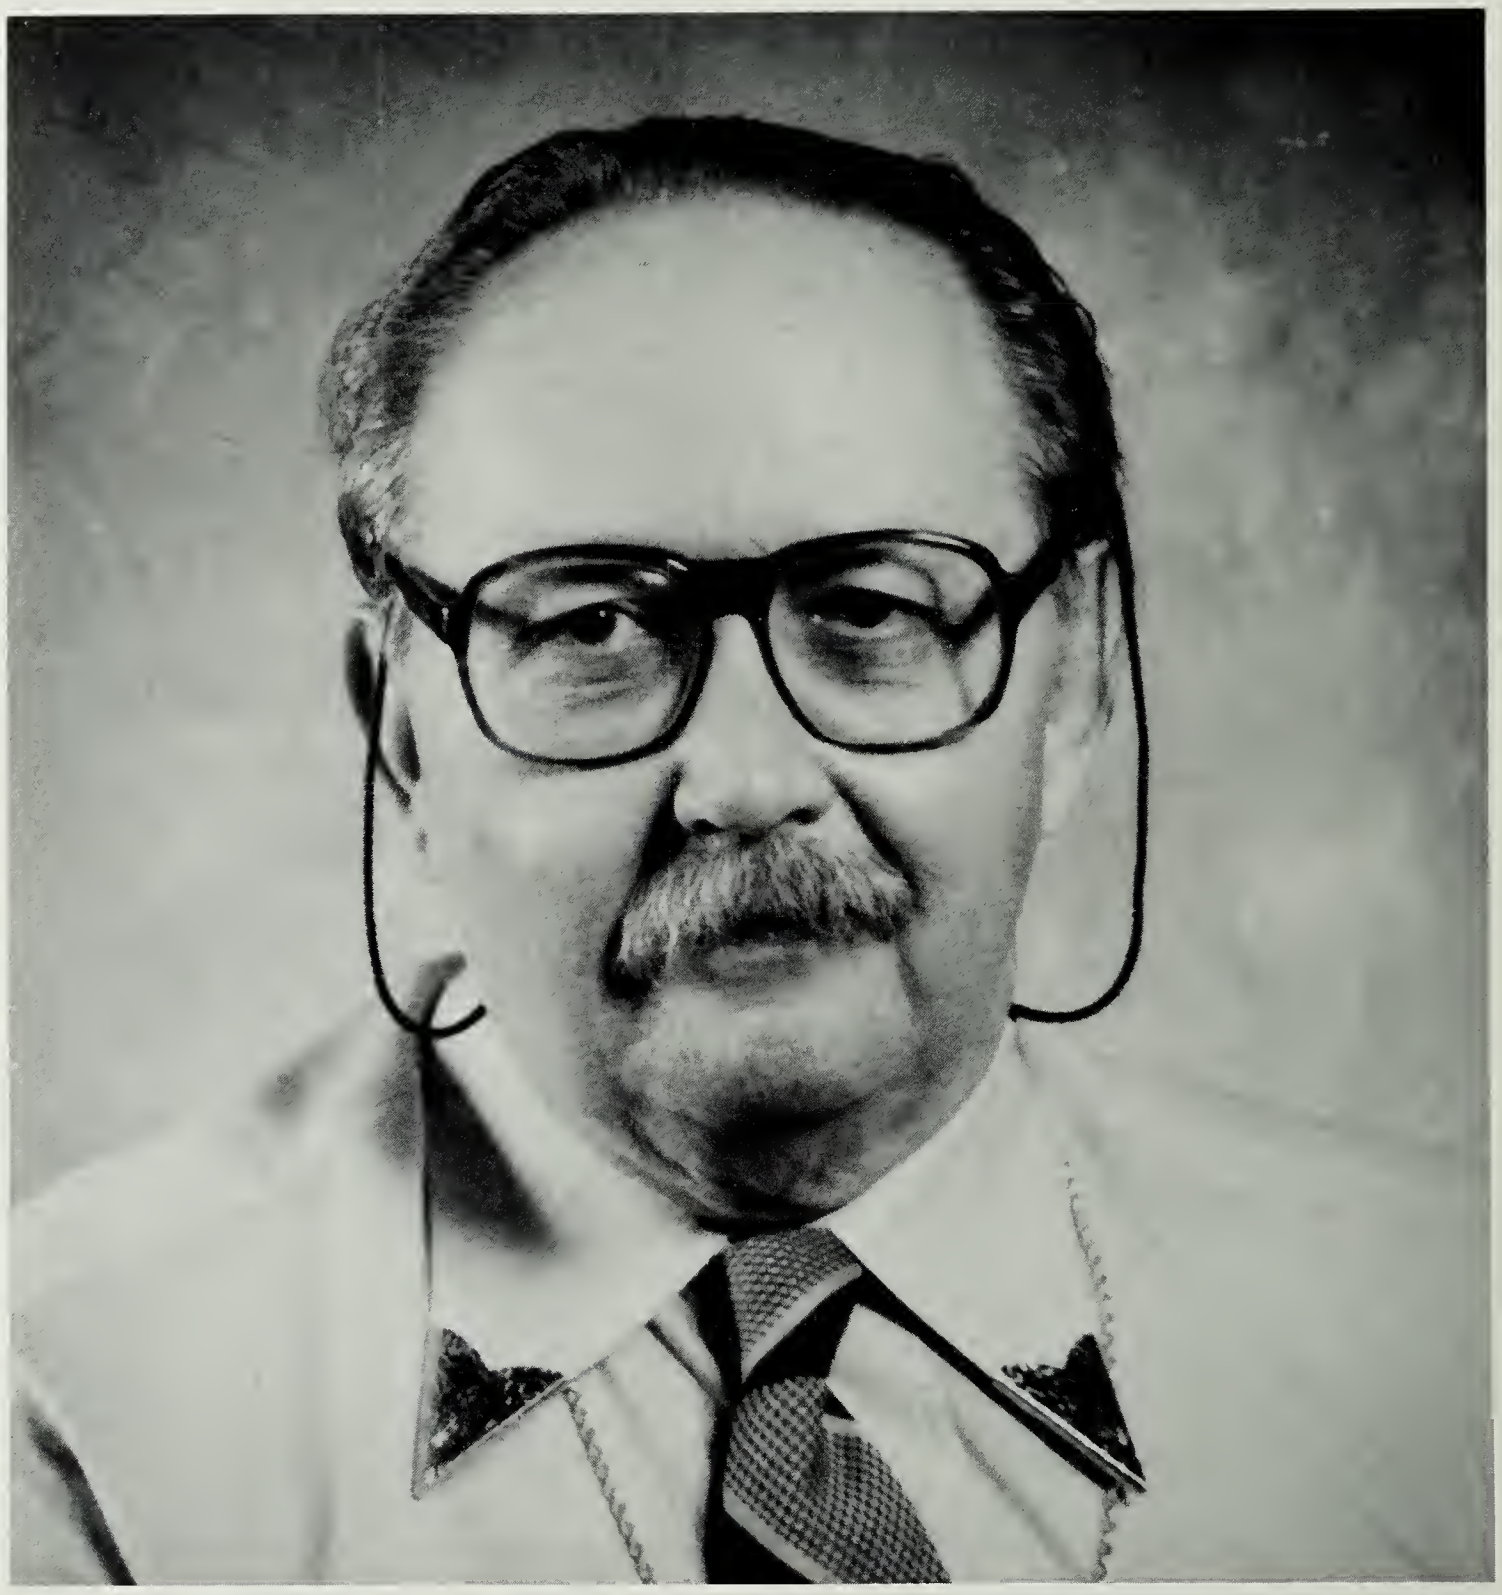
Mrs. Johns explains the procedures for filing Student's Grades.

Mrs. Lane prepares the annual budget.

Mrs. HOTT talks over the Budget with Mr. Shupe.

1929-1987

In Memory of Mr. William P. Evans



Question: What is an enigma, Bill?
a license plate . . .?
a question . . .?
a riddle . . .?
a life . . .?
An enigma bears a hidden meaning
Perplexing, mysterious
Was that you, Bill?
or
Were you as we saw you
droll
perceptive
articulate
intellectual
sagacious
A world traveler
A committed teacher
A discerning friend
Traveler, teacher, friend
Ah, Bill, you were not an enigma . . .
not to us . . .
Only to yourself.
Found alone . . .
All alone
Why, Bill?

Answer: I do not know . . .
I do not know myself as I would
Will
To know myself.
I am my own enigma
Myself alone
As mysterious, as perplexing
As a Rubic cube
As puzzling, as complex
As a pharoah's tomb . . .

I have walked the wide fields of earth.
I have searched the hidden corridors of the mind
I have sailed the blue heart of the ocean.
I have touched the source of life . . .
Through teaching.

Anger I have known and returned calmness
Frustration I have known and returned patience
Tenseness I have known and returned regard
For rudeness I have returned courtesy
For intolerance I have returned tolerance
Anger, frustration, tenseness, sarcasm
Rudeness, intolerance . . . all
These I have known.

Yet, I remain a classroom teacher
An honorable vocation —
Of all vocations the most honorable —
Instituted among men
For the instruction of future generations
I pass the torch . . .
I leave peacefully . . . gracefully . . .

Bill . . . did you wrap the drapery of your couch about you . . .
and lie down to pleasant dreams?

Yes . . .

c. 1987
For my friend,
Barbara Freeze Sturgis

Despite appearances, this paper is fascinating.

"Oh, what a relief!"

Mrs. Insley doesn't believe what she sees.

"Please hold your question until I have finished explaining," says Mrs. Palmer.

FACULTY AT IT'S BEST

The Class of "88"

Front row, left to right: Chemene Pope, Vice President, Raquel Hughes, Treasurer, Pearl S. Ray, Class Sponsor; Back row, left to right: Tyrone Farmer, President, Yolanda Holley, SCA Representative, and Veronica Keene, Secretary.

During the past three years at Bethel, the Class of "88" has realized that we as individuals have grown through the teachings thus far acquired from the faculty as well as our peers. We would like to thank each and everyone who has helped us to earn these achievements.

The Class of "88" has proven to be very productive in a great deal of its endeavors. The class theme "Friends Together . . . Friends Forever . . . The Class of "88" , is a good representation of the sense to togetherness felt by our classmates. This characteristics has been a great asset and will prove to be very valuable in the future. GOOD LUCK TO THE CLASS OF 1988!!!!

In the cafeteria TODD KELLY and NAPOLEON JOHNSON breaking away to be partime comedians . . .

LATICIA BROWN, ASHLEY MANSFIELD, and MRS. P. RAY observe the senior spirit competition.

SENIORS:

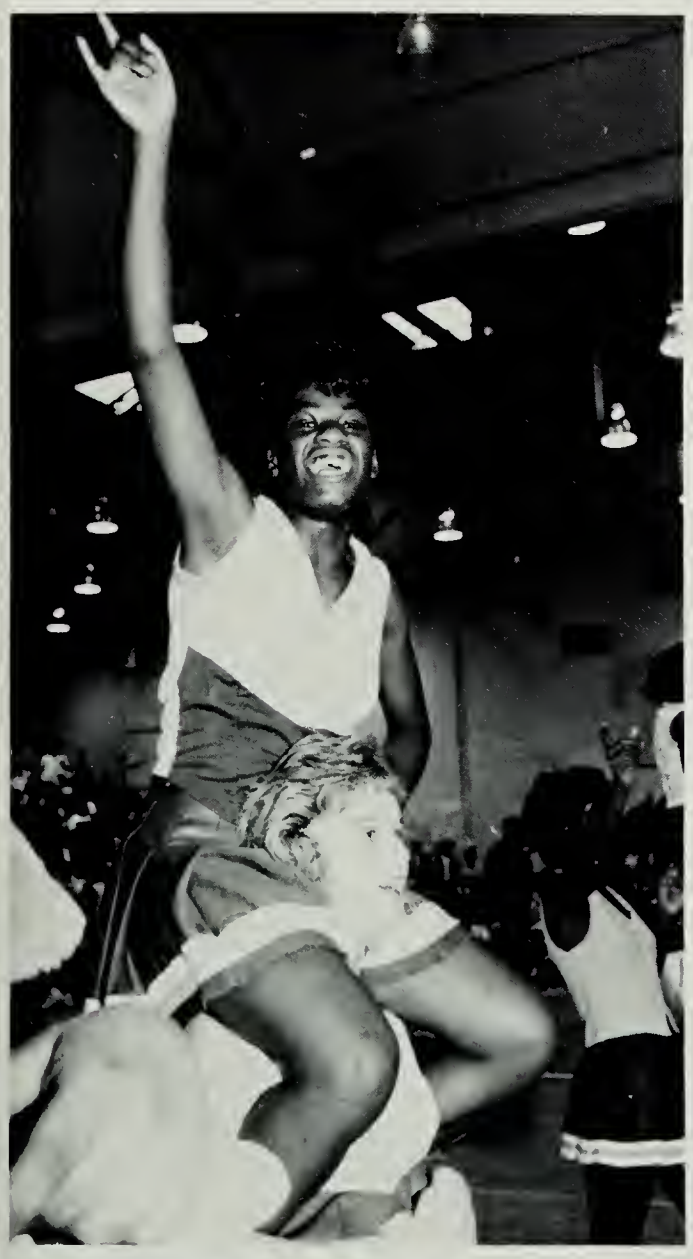
The class of 88 proved their abilities to the rest of the school as well as the community. Students earned honors in academics and scholarships. Where the seniors lacked in numbers, they made up in pride and talent. The hard work and dedication was toward a single goal . . . GRADUATION!

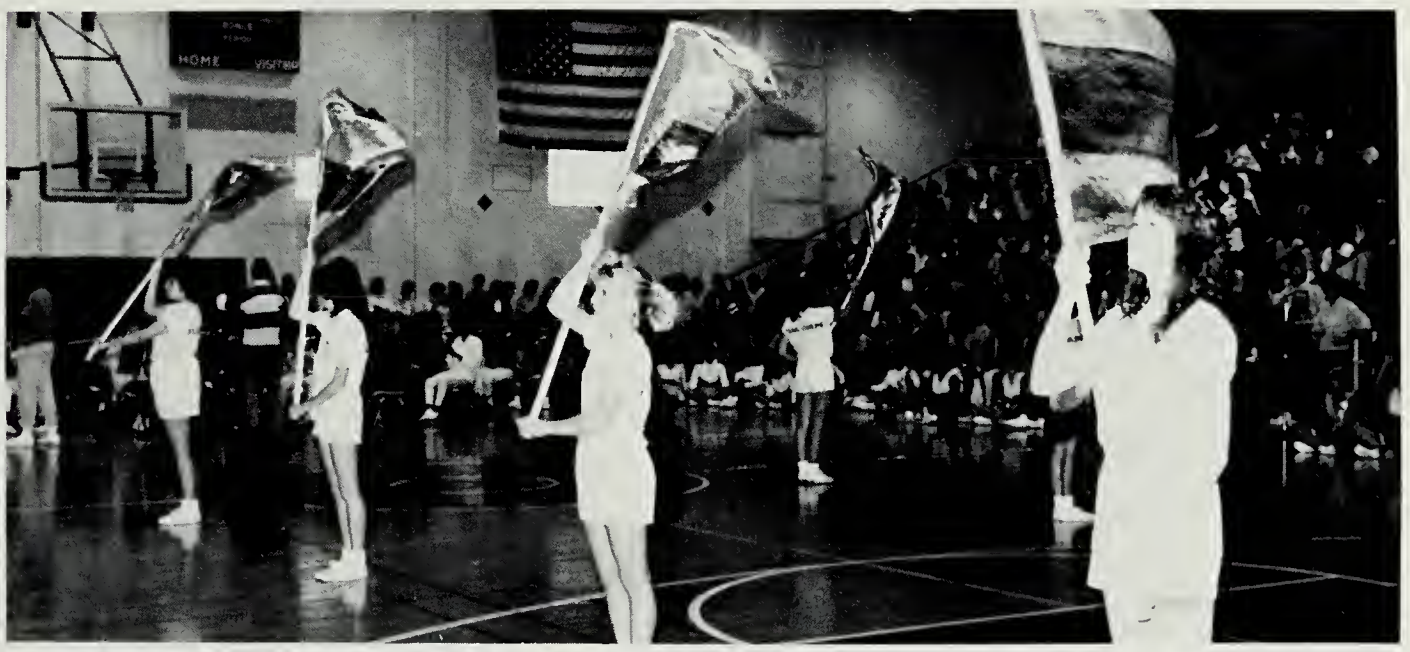
SENIORS DEMONSTRATE THEIR SPIRIT.

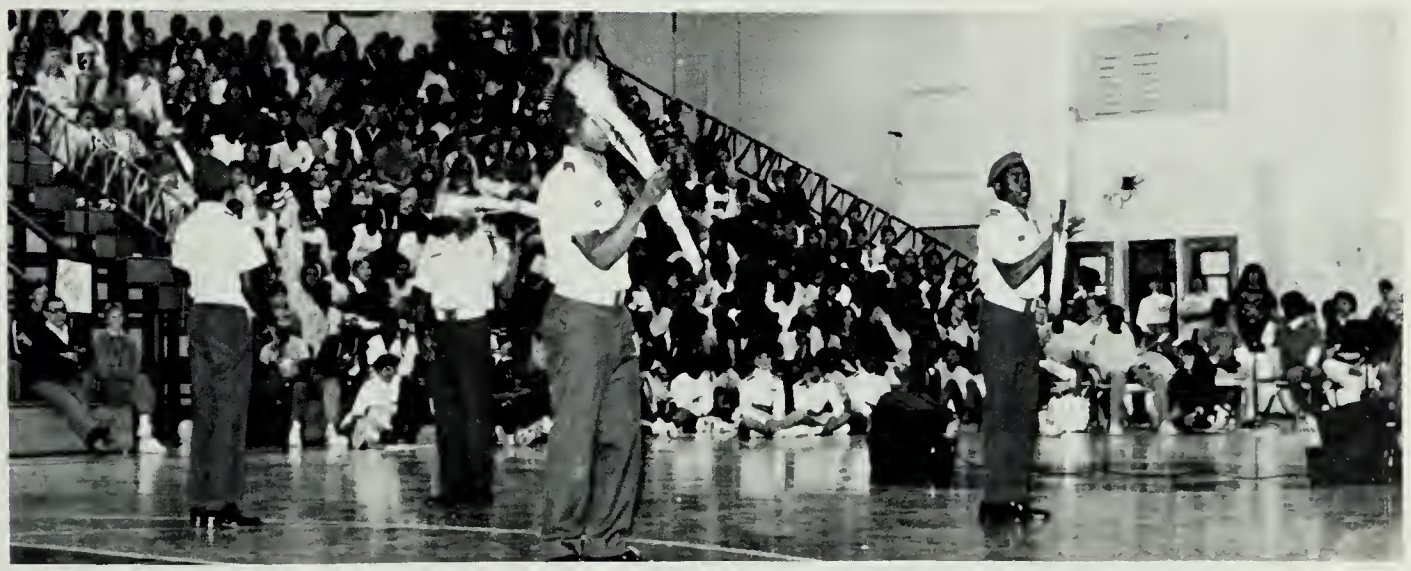
They exist . . . The untold story.

WE'VE GOT THE SPIRIT

ENERGY SPIRIT AND DEDI-CATION







These dedicated girls worked hard to get the crowds "pumped up" for the games.

Always cheering with a smile, they truly showed BRUIN SPIRIT.

SENIORS Enthusiastically Responding To

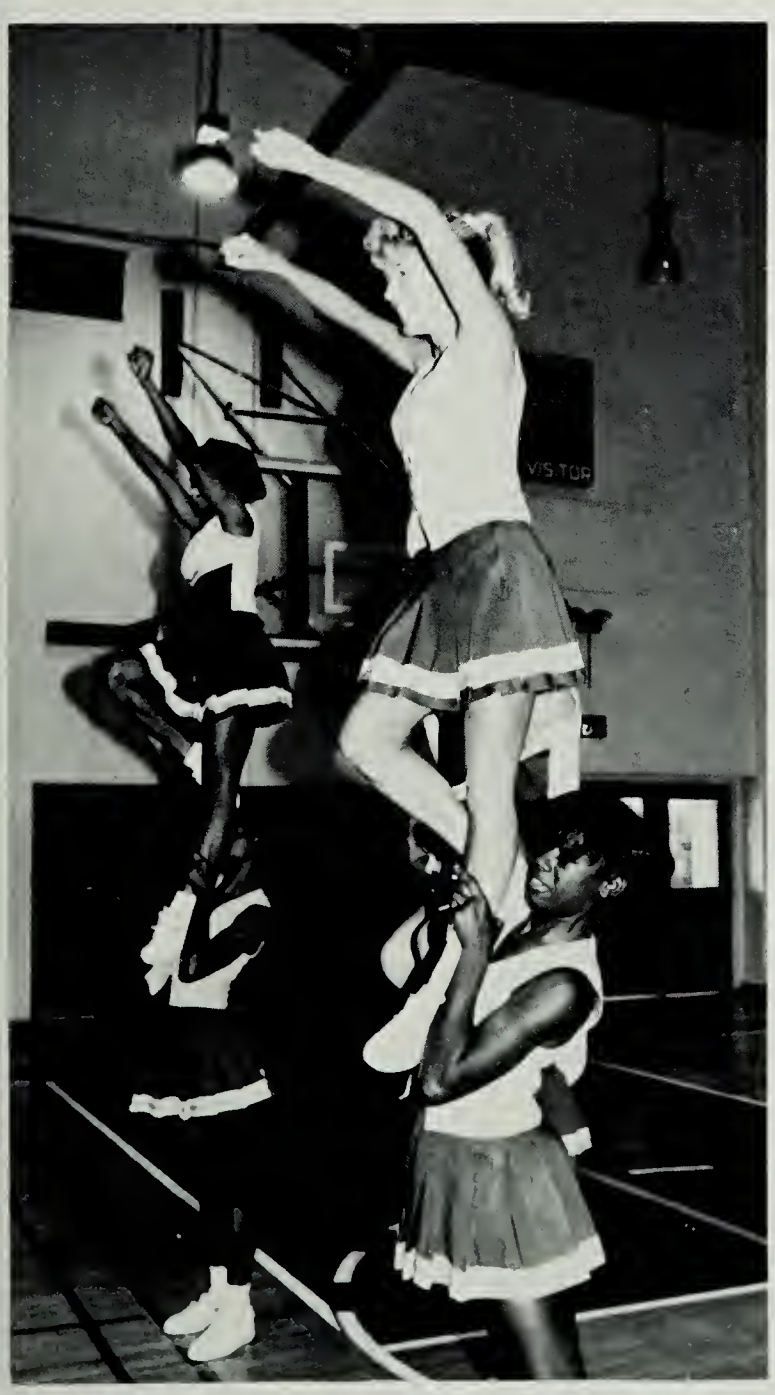
Acting up again

And the Winner is . . .

"Where do I belong?"

Pep Rally Cheer . . .

Alive and Chaotic



Having a Good Time

The Spirit of "88"

Precarious Balance

Homecoming Queen Angeline Morant
Homecoming King Keith Tinsley
During Halftime by Principal T. Bailey

The year's homecoming began on Friday, October 23, 1987 at 5:00 p.m. with a parade from Bethel High School to Darling Stadium. Students and teachers banded together and united in an array of spirits and pride in the school. During halftime, the band performed a winning half-time show, and the crowd was introduced to the Homecoming Court 87. Queen *Angeline Morant* **and King Keith Tinsley were crowned by Principal Thomas Bailey. Miss Homecoming was escorted by Senior Michael Dula. FOOTBALL

The 1987 Bethel Bruins experienced an exciting but yet frustrating "roller-coaster" ride. After being soundly surprised by Ferguson, the Bruins, over the course of the season, won 5 games and lost 3 by a total of 10 points. We also dropped a hard fought but debatable 42-21 game to Phoebus. Kent Johnson passed for over 220 yards in the second half to rally the Bruins in their Homecoming victory quest. The team saves its best for last as they soundly thrashed the Hampton Crabbers 16-0. The 9 prior opponents could only muster 26 points combined versus the "Crabs". The defense held their potent offense to only 3 first downs and less than 100 total offense — a true credit to the total team effort.

The following Seniors depart Bethel but their many contributions for excitement will be remembered: Kent Johnson (QB), William Perkins (WR), Anthon Wooden (WR-KR), Mario Grimes (DHB), Michael Dula (DHB), Billy Allen (FB), Otis Adkins (DL), P.J. Wortham (DE), Lonnie Jones (LB-OT), Donald Day (C), James Smith (OG-DT), Greg Marshall (C), Gilbert Ramirez (DL), Cleveland Smith (TE), and Anthony Phillips (DE).

Three players made the first team All Peninsula District: Anthony Wooden as Punt Returner, James Smith as an offensive guard, and Lonnie Jones as a LB. Lenny Bryd was selected as a LB for the Peninsula Sports Club Team and Wooden was named first team All Eastern Region as a kick returner. Although not earning All District Honors, Kent Johnson was the first Bruin QB to pass for over a 1000 yards in one season.

CROSS COUNTRY

The BHS Cross-Country Team continued its winning ways this year compiling a record of 3-2. By dedicating this season to Brian Conley, the team was inspired and achieved many of the goals which were set. The high point of the season was winning the Hampton City Meet for the fifth consecutive year.

The top three female runners were MVP Lisa Walters, Captain Diane Sayers, and Co-Captain Michelle Whittington. The girls return 6 of 7 runners next year.

The top seven male runners were Cecil Powell, Team Captain Mark Saunders, Emmitt Hall, Co-Captains Scott Conley and Chris Wynder, James Horner and Jim Wiser. Next year's team returns 11 runners including MVP Cecil Powell and Freshman Gary Romer, the team's most improved runner.

Ole Hoyer, a foreign exchange student added a lot to the team and will be missed next year.

BOYS VARSITY BASKETBALL TEAM
"Bruins"

The Boy's Varsity for 1987-1988 was noted for height and youth. The "Tri-Towers," Bobby Swadley, Corey Stewart, and Chris Jackson, provided an awesome inside game. Although tall, the Bruins were young, starting four sophomores: Peter Barner, Troy Fullwood, Corey Stewart, and Craig Rainey. Seniors in the lineup were Manford Mooney, Ronald Berry, Kennedy Bland, and Bobby Swadley. The highlight of the 1987-1988 season was the tournament trip to Tallahassee, Florida.

The Bethel Varsity Boy's Basketball Team raised over $7,000 to fly to Tallahassee, Florida, December 25-31, for the 38th Annual Governor's Cup Tournament. Sixteen teams from all over the South, New York, and Kentucky contributed stiff competition. The Bruins placed fourth of 16 teams bringing home a trophy to Bethel.

In the first round Bethel defeated Andalusia, Alabama with All-American Robert Horry, and in the second round, Florida High of Tallahassee. This put the Bruins in the Winner's Bracket and "Final Four." The Bruins bowed to St. Raymond's of Bronx, New York and Shanks of Tallahassee.

The team and managers raised funds for their trip by selling Value Checks, candy, doughnuts, a foul shoot-a-thon, and raking yards.

Lady Bruins 1987-88

The 1987-88 Lady Bruins' most abundant product is Youth. Three seniors, two of which are returning from last year, two returning juniors, five sophomores, four of which are returning, and five freshmen. Although the game has not changed and is the same, this squad has experienced many changes. We are going through a period of metamorphosis. We are fortunate to again have the speed and quickness as in past years, but our size inside has changed. We have, however, defeated some of our most worthy competitors. In other close contests we have fought hard only to win some and lose some, but this has not downed the spirit and fortitude of this squad.

Some exciting changes are emerging even now. We are learning to play against the hard pressure exerted by our opponents and win. We are now beginning to completely understand the meaning of such words as teamwork, playing together, and good defense. Leadership is emerging from many players.

Senior Dawn Parker was elected to take over the captain's position with senior Chemene Pope and junior Marleita Edwards helping out as elected co-captains.

At this writing we are 6 and 6. We have won second place in the Hampton City Invitational Christmas Tournament, defeating returning champions, Deep Creek, and losing to Granby High in the finals. Dawn and Marleita were selected to the All-Tournament Team. We know there are still many challenges ahead. The toughness of our worthy competitors must serve as a catalyst to pull us closer together and cause us to gain more confidence in our abilities. We will fight on, always striving for that 110%.

J.V. BASEBALL

The 1988 Baseball season was a learning experience for both Coach Barlow and team members.

It's not whether we won which we did seven times, or whether we lost which we did the rest of the time, it's how we did it. And we did with class.

The team learned a lot and gained the needed experience for the 88 season. We prove to the students at Bethel we can win, too.

GIRL'S SOFTBALL

Bethel's Softball team had another winning season. Since the beginning of the team in 1982, the girls have never had a losing season. Bethel placed third in the district in 1986 with a district record of 10-6. Bethel had two players selected for the all-district team: Kerstein McVicker in left field and Stacey Mabe at third base.

HIT AND RUN

Coach Bouchard started out the 1988 season with returning players who contributed to the success of the team. As the result of their success, the coach was extremely pleased with the team and credits its players with outstanding defense and clutch hitting.

Slugger, Toddy Kelly pulls-up at third as the Bruins rally against Denbigh. The Bruins' first baseman is one of Bethel's finest athletes.

Junior, Al Gills legs-out another infield hit. The Bruins' infielder is one of the brightest prospects in the district this season.

Chris Wynder's "lay-out catch" shows why he is one of the best outfielders in Bethel history.

Senior, Chris Wynder, checks his swing and draws a walk to load the bases for D H Gene Jordan.

THE BRUIN MENTOR, Skip Bouchard shows disgust over a controversial call during the game against Phoebus. Bouchard is completing his eighteenth year at Bethel.

All-District, Jeff Allen leans on another fast ball. Jeff should repeat as one of the top pitchers in the Eastern Region.

Catcher Billy Allen camps under this pop-up to end the game against Lafayette. Billy is rated as one of the League's best catchers.

Speedster, Ricky Drum starts the front-end of another stand-up double. The second baseman is regarded as a top college prospect.

Power hitter, *Toddy Kelly* singles home another winning run from third. Todd is standout in three sports.

COOPERATIVE OFFICE EDUCATION

Cooperative Office Education (COE) is an occupational preparation program of business education whereby students with business career objectives alternate their school schedule between in-school and on-the-job learning experiences. The school program is coordinated with instruction on the job by a professionally trained teacher-coordinator. Students are provided released time from school for on-the-job instruction in occupational areas of their career choices. School credit toward graduation is given for the combination of school and on-the-job instruction.

CHROME CLUB

According to the Executive Director, Dr. Lillian Bautista Myers, there are more than 94,000 minority youths in our area between the ages of 7-19. However, the number of minorities in math, science and engineering fields are appaulling. "Gains made by Blacks in the early seventies declined due in part to the poor economy and the rising cost of education in the late seventies and early eighties."

CHROME (Cooperating Hampton Roads Organizations for Minorities in Engineering) was organized at Bethel in September, 1987 to identify, nurture, assist and encourage minority students to pursue careers in engineering, science, mathematics and related technological fields. CHRONE joins NACME (National Action Council for Minorities in Engineering), Hampton University Science Program and others who see minorities as being under represented in engineering.

The 42 CHROME members at Bethel have made a commitment to stay in good standing with the school both academically and socially, enroll in calculus — track mathematics, i.e., Algebra I and II, Geometry, Trigonometry and Advanced Mathematics and to take all science courses that provide a basic preparation for engineering and engineering-related careers.

CHROME members are being provided a number of learning activities for the school year. the Executive Director, Dr. Meyers, motivated students and parents at the September meeting by demonstrating the use of physics as it related to engineering and discussed the purpose of CHROME.

Understanding the need to improve study skills to enhance the learning process, Dave Grant and Betty Lindsay from Thomas Nelson Community College served as presenters at a workshop held at Bethel on November 17 for CHROME members. Students were taught how to manage their time and to establish a study schedule.

CHROME also strives to help members build self confidence. To this end, Colonel Eugene Scott, Post Commander of Fort Monroe, served as a role model and talked to members at their December meeting on ingredients for success.

Furthermore, CHROME members are getting an opportunity to gain firsthand experience about technology by visiting major corporations to see how products are made and talking with engineers and computer technicians. Some CHROME members will participate in NASA's Space Camp December 29-30, 1987 and internship programs during the summer.

Another CHROME sponsor is being solicited so that next year more students will be able to share the CHROME experience. Membership in CHROME is open to students of all races.

AJROTC

The *Army Junior Reserve Officer Training Corps* **was created by Congress as a Vehicle to develop the potential for future leaders at the high school level. The program is designed to benefit those students desiring to pursue careers in the military or civilian societies.**

Desirable qualities of leadership are cultivated in the area of courage, responsibility, self-confidence, self-discipline and ingenuity. Application of their qualities is provided through precision drills, study of great leaders, and exercise of command. Also, leadership situations are provided at drill meets, military field days, and everyday life.

The mission of the ARMY JROTC program is to motivate young people to be good Americans.
